Title   :   RECEIVER

APPLICANT'S INTERVIEW SUMMARY

In response to the PTOL-85 Notice of Allowance dated July 24, 2007 and accompanying PTOL-413 Interview Summary, the Applicants submit this Applicant's Interview Summary, and additional remarks. The issue fee will be paid under separate cover.
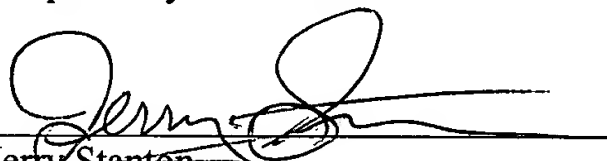

Summary of Interview:

The records received by the undersigned for the above referenced application agree with the PTOL-413 and the listing of claims accompanying the Notice of Allowance.

Additional Remarks:

Two errors are noted in the papers accompanying the above referenced PTOL-85 Notice of Allowance. First, the PTOL-37 Notice of Allowability and page 2 of the Detailed Action indicate that claims 1-10 and 18-21 are allowed, whereas claims 5-6 and 20-21 are shown as being cancelled in the listing of claims accompanying the PTOL-85. That listing of claims is seen to be correct, and in a teleconference held on August 1, 2007 between Examiner Nguyen and the undersigned, the Examiner indicated that he would issue a supplemental Notice to make that correction. Second, the status identifier for claim 2 in the listing of claim accompanying the PTOL-85 should recite "Currently Amended".

Respectfully submitted:

Jerry Stanton
